Learn from mistakes

Gas 2010 / Renewables 2023

- Government backed
- Huge consumer demand
- Investment potential – gold rush
- Little thought for community most impacted
- Driven by people who are not impacted

Similarities

Landholders

**Community
Groups**

**Local
Businesses**

Landholders

What to do

- Fair negotiations
- Respect for the land
- Respect for the business operations

Landholders

Maintenance Fabrication & Engineering

Local businesses
