

Register for HyCapability on EconomX

1. Visit [EconomX](#) and create a 'Business Profile' and ensure your 'Public Profile' is enabled (see next page).
2. Select 'Register as a supplier' from the menu bar and select 'HyCapability' from the list of suppliers.

3. Select 'Register Interest' and ensure all mandatory business profile details have been completed.

4. Attach a PDF less than 5MB with the **Capability Statement / Business Information**.
5. Complete the form with your hydrogen and select 'Submit Interest'.
6. NERA will assess your submission and will message once your submission as been reviewed.

Enabling a company profile on EconomX

1. Log on to [EconomX](#)
